

Preface

We are pleased to present this collection of scholarly articles of the III International Scientific and Practical Conference “LINGUISTICS IN THE ERA OF DIGITALIZATION: CURRENT PROBLEMS AND DEVELOPMENT PROSPECTS” (LED-2024)

The conference was held on 21-22 of June 2024 at Federal State Budgetary Educational Institution of Higher Education “Kadyrov Chechen State University” (Grozny, Russia).

The aim of the conference was to create favorable conditions for identifying, supporting and encouraging talented young people engaged in research creativity, attracting promising novice researchers to the field of science and education.

The conference aimed at discuss the problems and promising areas of research in the linguistics, semantics, semiotics and other.

Participated in the conference doctors and candidates of sciences, researchers, candidates for scientific degrees, teachers, postgraduate students, master’s students of universities and other.

Conference Sections:

Section 1. Semantics, semiotics and pragmatics of modern discourse;

Section 2. Language and culture in a new reality;

Section 3. Units and structures of language in the paradigm of cognitive semantics and corpus linguistics;

Section 4. Innovative and digital technologies in linguodidactics;

Section 5. Intercultural communication in the digital age;

Section 6. Communicative development in education.

LED - 2024 brought together researchers, students and industry professionals from different countries. The Conference has received 226 manuscripts, of which 55 submissions have been accepted by our reviewers (well-known international experts in

the field of linguistics and other). Full papers submitted to the conference were peer-reviewed by two to three reviewers per manuscript before being selected for publication. In cases where two experts had disagreements, the paper was sent to another two reviewers for evaluation.

We would like to express our high appreciation to the organizers, members of the organizing committee and reviewers of LED - 2024 for their hard work. Special acknowledgements go to Web of Conferences - EDP Sciences. We also hope to meet again in the upcoming conferences.
