**Abstract.** This special issue consists of selected proceedings presented in ERPA International Congresses on Education 2017 which was held in Budapest / Hungary, 18-21 May 2017. Studies are related to educational sciences, science and mathematics education, social sciences education, health and sports science education, music and fine arts education, computer education and instructional technology, language education and management of education. There are eighty valuable studies in this special issue. In sum the results of studies will contribute to the field.

**Keywords:** Special issue, Education, ERPA Congresses

### Preface

It is the great honor for us to edit this special issue of SHS Web of Conferences for the selected proceedings presented in the ERPA International Congresses on Education 2017 which was held in Budapest / Hungary, 18-21 May 2017. Each paper submitted to the conference has been peer reviewed by the reviewers and at the end of the review process, a total of 84 high quality papers were selected and accepted for this publication.

It is with great pleasure seeing this impressive special issue of the SHS Web of Conferences going viral. As the following short description shows, it is an impressive collection of papers that are related to educational sciences, science and mathematics education, social sciences education, health and sports science education, music and fine arts education, computer education and instructional technology, language education and management of education.

Proceedings related to educational sciences in the issue are; [5], [11], [16], [20], [26], [27], [52], [53], [74], [77].

Proceedings related to science and mathematics education in the issue are; [12], [14], [17], [21], [24], [25], [38], [39], [40], [44], [50], [51], [57], [73], [75], [76].

Proceedings related to social sciences education in the issue are; [80], [84].

Proceedings related to health and sports science education in the issue are; [1], [2], [3], [4], [6], [7], [9], [18], [19], [22], [23], [29], [30], [31], [32], [34], [41], [42], [43], [45], [46], [47], [49], [54], [55], [56], [58], [59], [60], [61], [62], [63], [64], [65], [66], [70], [71], [72],[82],[83].

---

<sup>a</sup> Corresponding author: [emasal@sakarya.edu.tr](mailto:emasal@sakarya.edu.tr)

Proceedings related to music and fine arts education in the issue are; [10], [28], [35].

Proceedings related to computer education and instructional technology in the issue are; [15], [33].

Proceedings related to language education in the issue are; [48], [67], [69], [78], [79], [81].

Proceedings related to management of education in the issue are; [8], [13], [36], [37], [68].

We hope that this special issue contributes to the field. Special thanks are given to all the reviewers, the members of the Scientific Committee and Organizing committee. We hope that you enjoy reading the papers of this issue.
