

## **PHECSS2018 Preface**

Forum on Psychological Health Education and Counselling for School Students (PHECSS2018) has been held on November 8-11, 2018 at the Beijing Normal University, Zhuhai. Exchanging, Learning, Accompanying and Sharing is the aim of the forum. The Topic is Chinese Intelligence and Different Countries Experience of Psychological Education and Counseling for University Students.

PHECSS2018 has invited industrial experts to submit papers and attend the forum sincerely. Furthermore, the accepted papers will be published on the official periodical. All papers, both invited and contributed, have been reviewed by two or three experts from the committees. After a careful reviewing process, all accepted papers of PHECSS 2018 have been published in SHS Web of Conferences (ISSN: 2261-2424), which will be submitted to CPCI and CNKI for indexing. And the selected presented papers with good quality will be recommended to publish in the SSCI indexed journals with at least 50% content extension.

PHECSS2018 provided a chance for the attendances from home and abroad (experts, scholars, teachers, psychologists and master graduate students in the psychology community and related disciplines) to analyze cases and share experience around the pertinence and effectiveness of psychological education and counseling.

The sub-forum dissertation can be seen here:

1. Comparison between Indigenization and Cross-Culture of Psychological Education and Counseling (Hongzhong Qiu)
2. Philosophy Meeting with Psychotherapy--Life Depicted as a Kind of Therapy (Hua Li)
3. Accompanying Psychological Nature--the Application of Self-treatment (Guobin Xu, Ru Yan, Jinhua Zhou)
4. The Development Investigation of University Students' Transnational Property and Adaptability
5. Psychobiographical Therapy (Jianhong Zheng)
6. Precise Psychotherapy
7. Another (Appointed by the participants in advance)

PHECSS2018 is helpful to improve the level of mental health education and counseling in various schools, promote research and exchange of students' mental health education and counseling, and promote the innovation and development of school mental health education and consulting.
