Preface

We are pleased to present this collection of scholarly articles of the «International Scientific and Practical Conference on Social Sciences and Humanities: Scientific Challenges of the Development of Modern Society» (SHCMS 2023). The conference was held on 30th of March 2023 at Kadyrov Chechen State University (Grozny, Russia).

The conference aimed at presenting the latest research advances, sharing expert knowledge and exchanging ideas, identifying trends in social and human sciences, as well as to contribute to the research of new digital technologies in education, international and intercultural communication, economics and law.

Conference Sections:
- Section 1. Innovative educational technologies and the use of virtual research tools;
- Section 2. Institutional economics: history, problems and prospects;
- Section 3. International and intercultural communication in the global world;
- Section 4. Political and legal ideas of modern times;
- Section 5. Humanities in the digital age;
- Section 6. Actual problems of history and philosophy.

SHCMS 2023 brought together researchers, students and industry professionals from different countries. The Conference has received 370 manuscripts, of which 168 submissions have been accepted by our reviewers (well-known international experts in the field of social, human sciences and other). Full papers submitted to the conference were peer-reviewed by two to three reviewers per manuscript before being selected for publication. In cases where two experts had disagreements, the paper was sent to another two reviewers for evaluation.

We would like to express our high appreciation to the organizers, members of the organizing committee and reviewers of SHCMS 2023 for their hard work. Special acknowledgements go to Web of Conferences - EDP Sciences. We also hope to meet again in the upcoming conferences.
