

Preface

2024 International Conference on Economic Development and Management Applications (EDMA2024) is hosted by Dalian Jiaotong University and co-sponsored by Guangdong Open University (GUANGDONG POLYTECHNIC INSTITUTE), South China University of Technology and Dalian Minzu University. It was held on July 19-21, 2024 in Xishuangbanna, China.

EDMA2024 focused on research areas concerning Management Applications and Economic Development, aiming to provide opportunities for participating experts, scholars, and engineers share their insight into cutting-edge research trends, broaden research ideas, promote the transformation of academic achievements. EDMA2024 has attracted participants from various universities, research institutes and companies in the industry. It provides a communication platform that contributing wisdom and strength to serve the dual-carbon strategy and green development.

The proceeding of EDMA2024 collects research papers which comprehensively investigates the technologies concerning Management Applications and Economic Development. Each accepted paper has undergone double-blinded peer-reviews. The reviews considered the paper's originality, relevance, significance, logic, completeness, structure and language. The Technical Program Committee members contribute a lot to deal with the manuscripts and reviews. The conference accepted 21 papers finally.

The Organizing Committee of EDMA2024 sincerely express our gratitude to all the keynote speakers, editors, committee members, volunteers, staffs and organizers for their endeavor and precious time spent on the conference. We are also grateful to all the authors, speakers and participants for their great contributions to the success of EDMA2024.
